Whenever "including" or "include", or "excluding" or "exclude", together with specific examples or items follow a term, they will not limit its ambit. Unless otherwise stated in the agreement, when any number of days is prescribed in the agreement the first day will be excluded and the last day included. The rule of construction that an agreement must be interpreted against the party responsible for its drafting or preparation does not apply. GMT +2 will be used to calculate any times.

These Media Licence Terms will apply for the duration agreed in the Proposal or Commercial Terms. The parties will conclude a new agreement for each subsequent period.

4. Payment

You will pay us for the development of content as outlined in the Proposal or Commercial Terms

5. Development of deliverables

5.1 **Our roles and responsibilities.** We will develop the learning media in accordance with the specifications and with the development timetable. Unless otherwise agreed in an order, we will develop the learning media at our own cost. The parties may agree to change the respective titles of these components. 6. Acceptance procedure of deliverables

- 6.1 **Commencement and initial period.** You will commence acceptance testing of any deliverable immediately following delivery by us. - 6.5 **Additional period for testing.** You will have an additional period (equal to the initial period above) to conduct acceptance tests on any corrected deliverable. If you discover any further material variance in a corrected deliverable from its specification, you will report it to us. We will correct any further variance in the corrected deliverable as soon as possible and at our cost. During the additional period, you may not report any variance that does not relate to: (i) a variance that you initially reported; or (ii) the corrected deliverable. The parties will deal with these separately as additional services.
