

**Proposed course outline for:**

**ICB Business and Office  
Administration 3**

**40 contact hours – using STANDARD version of Study & Solutions Kit**

**Note: Should students use the PRO version of the Study & Solutions Kit; the contact hours can be reduced by up to 8 hours (i.e. from 40 to 32 hours). This is due to the fact that the PRO version includes video facilitation on some of the Revision Questions, which can be leveraged as self-study.**

**Dear student/facilitator**

Welcome to the ICB **Business and Office Administration 3** subject. Please note the following:

1. This subject is divided into three study phases, each ending with the completion of two pieces of work (five formative assessments and one Final Exam in total).
2. The five formative assessments comprise three Assignments and two Class Tests. The ICB now offers an online system called MACCI, where the Class tests will be completed online in a timed assessment and are self-marked. Assignments 1 and 2 will also be completed online. All questions and answer books will be integrated within MACCI. Assignment 3 will be completed by hand and offline. This assignment needs to be downloaded from MACCI and then uploaded again once completed. All assessments will be assessed by the ICB's National Assessor upon completion of the course.
3. The five formative assessments will be assessed as a whole and will contribute 30% to the final mark. The Final Exam will contribute the remaining 70%. In total, the student needs to score **at least 60%** to be found competent. However, there is a sub-minimum of 50% for the Final Exam component only. For further information, please refer to the ICB's Assessment Policy available at [www.icb.org.za](http://www.icb.org.za).
4. The Final Exam may be completed online or on paper at an approved assessment centre. All written assessments must be completed **in the student's own handwriting** (unless otherwise instructed), using blue or black ink in all instances. Typed versions will not be accepted. Also note that correction fluid (Tipp-Ex) of any nature is strictly prohibited.
5. Please note that class attendance is compulsory. However, should the student not be able to attend any of the sessions listed below, he or she should inform the facilitator as soon as possible.

The details of the course coordinator are:
